

#### SSG Active Clubs at Campton Lower School

SSG Activities are pleased to announce that we will be returning in the Autumn Term to run a number of after school Active clubs at Campton Lower School.

Our Active Clubs offer a wide range of sports, games, and skill-based activities for children to take part in. Led by our friendly instructors who have an all-inclusive ethos, we welcome ALL children to our clubs, no previous experience or ability level required. Our focus is on getting children active, offering opportunities to learn and practice new skills, whilst making friends and having fun!

We are mindful that COVID-19 processes may need to be considered during this period, and on the lead up to the start of the clubs, we will release any information/processes that we will be following to parents to ensure you are fully updated.
