Dear Parent/Carer,

I hope you are all well and keeping safe. We would like to take this opportunity to introduce ourselves to you all as the new team of the PTA. We got elected at the AGM last week and we are delighted to write to you for the first time. The following members make up the new team and we will be looking forward to interact more with all parents and carers and representing you with any queries you would like raised henceforth with the school and also with the governors.

The new team consists of the following people:

Chairperson: Ms Salvi Joomun
Co-Chairperson: Mrs Kylie Macrae
Treasurer: Mrs Roxy Oksana Khodakivska
Social Media: Mrs Carly Albon

There is an executive team of 6 people supporting the above members and we would like to have more members joining in this current academic year as more help is needed. We are always encouraging new members in our quest in achieving the following 2 objectives of our Charter:

- **Developing effective relationships between the staff, parents and others associated with the school,**
- **Engaging in activities or providing facilities or equipment which support the school and advance the education of the pupils**

Please feel free to contact us and let us know if we can help or address any points you would like raised with the school or governors or if you would like to be involved with the PTA. There are so many resources we can help with for the education of our children and we have already started asking the teachers for any resources that they feel is a priority.

With all the above in mind, we will be communicating with you through ParentMail as well as our Facebook page with updates about our activities and events. We would love a more active participation from all parents and carers and hope that many more members will join.

Please provide us with any feedback or if you have any questions for us, please contact pta@camptonlower.org. More importantly, we are looking forward to welcoming new members to the PTA committee.

Yours sincerely

Salvi Joomun
